

Appl. No. 10/538,284  
Amendment dated: January 5, 2010  
Supplemental Response

REMARKS

This Response supplements the Request for Continued Examination filed on November 17, 2009.

By this Response, claims 1 and 4 are hereby amended. No new matter is believed to be entered.

No claims are hereby cancelled and no new claims are further added.

Accordingly, claims 1-13 remain currently pending.

The amendments to claims 1 and 4 are made to depict the position of the aperture in the extractor more appropriately as understood by one of ordinary skill in the art.

In view of the above amendments and remarks, favorable reconsideration and allowance of all the claims now present in the application are most respectfully requested.

If any issues remain that may be resolved by a telephone or facsimile communication with the Applicant's attorney, the Examiner is invited to contact the undersigned at the numbers shown below.
